An extensive academic plan and review mechanism ensures that the management of curriculum is done simultaneously on an individual and

institutional level However, the Head of Department of each course is responsible for implementing the given curriculum effectively. In addition, to the given curriculum, the respective Programmes also include value-added skill-based and Certificate courses.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

Evaluation of the performance of students is an integral part of the teaching-learning process and it reflects the outcome of all the efforts that go into grooming the learners. Earlier, the exams used to be an annual ritual and were conducted at the end of each academic session which was not very effective in assessing the true potential of students. Going by the standard pedagogical approach assessment should be a continuous process in every educational institution. Therefore, various universities including the Acharya Nagrjuna University have incorporated this concept in their academic schedule. T.J.P.S. College being an associated college of Acharya Nagrjuna University adheres to the academic calendar for the conduct of CIE (Continuous Internal Evaluation).

. The distribution of marks is as follows:

1. **Internal Assessment – 30% weightage of a course**
